HOW TO QUALIFY: The Participant's 36 hole total gross score must place him in the top 36 spots. In the case of ties we will have a playoff for the 36th spot. If your scores do not place you in the top 36 spots, you will become an alternate. As an alternate you will still be able to play in the season tournaments if the tour needs to fill the 60 player field. You will be called upon according to your finish in the qualifying tournament. For example, 37th place will be called before 40th place. Once you participate in a season tournament as an alternate, you automatically become a "conditionally exempt player".
